

Bulletin 1 - December 1, 2013

This bulletin addresses a few changes and clarifications to the supplementary regulations.

Change of Steward - The Steward for the event will be Eric Grochowski

Registration for recce only is \$150 - This applies only to teams who wish to recce the stages without entering the event

Notification of Recce Infractions - Every effort will be made to notify competitors of observed infractions during recce, however it may not be practical in all cases to stop recce cars at the time of the infraction. Lack of notice to a team of an infraction will not invalidate the observation of the infraction. The onus is on the competitor to ensure the recce car has an adequate speedometer and to drive responsibly on recce.

Friday and Saturday Night 'Socials' - Carvers Restaurant at the Inn at Big White now operates as 'Blarney Stone'

Technical Inspection - Technical Inspection will be held in the P1 level of indoor parking at the Inn at Big White.

Stage Schedule - The Stage Schedule for the event is attached. The event will have a planned distance of 199.90 total KM (124.21 mi) with a stage distance of 121.6 km (75.56 mi.)

Emergency Contact Forms - The team is requested to provide emergency information forms to provide organizers and medical crews with important information in the event you, or your crew, are involved in a serious incident. These forms are attached so you can fill them out in advance and bring them with you to registration.

Happy Valley Road and Big White Road - The stop sign on Happy Valley road at this intersection is the zero point for most directions that are given to you during the event. Please make a note of this location when you first arrive at the hill.

Recce Directions – Comprehensive recce directions will be given to teams at registration. Recce will involve about 150 km (94 mi) of driving. The Gem Lake stage will be the first stage recced and will be recced in convoy, starting at **9:30** with the last car allowed in at **9:50**. Official distances are listed in kilometres, distances listed in miles are informational only. There are about 54 km (33.6 mi) of unique stage road in the event.

Recce Hours – All stages will close to recce at **4pm** (1600h.)

Breakfast Hours

The restaurant at the Inn at Big White will be open at 6:30 am on both Saturday and Sunday for a buffet breakfast.
